Eligibility Cases

Voter Types	Check-in with no changes	Check-in with address change	Move-in from another location (voter is at wrong location)	Ballot selection (Party based / issues only)	Spoil / Reissue ballot	Issue Provisional / Manual Provisional
Eligible Voter						
Voter Status not valid (any status other than active or inactive) There may not be any present in the database.						
Registered after book closing date (if book closing date is not set -- means it is left blank -- this validation wil be skipped) Still should pick a voter close to book closing and make sure all works.						
Voter Eligibility challenged						
Voter already voted						
Voter early voted (this case does not apply, but we can make sure that there are no voters with an early voting status).						
Absentee Requested						
Absentee Voted						
No Ballot Style (For this election all voters should have a NONE in ballot style and they should go through the process of selecting a ballot) - we should verify that there are no voters that are not marked as ballot style of NONE)						
Maximu ballots issued (make sure a voter that has already been issued 3 ballots cannot request a 4th one)						
Verify Voter Address						
Requires Assistance (attorney in fact)						
Under Age voters (confirm the corect voters have been marked as being under age)						
ACFN (confirm the correct voters have been marked as being ACFN)						
Record ID (confirm the correct voters have been setup for Record ID flag)						
Signature Mismatch						
Secure Address (do not see any voters in this condition)						

Eligibility Cases

Voter Types	Check-in with no changes	Check-in with address change	Move-in from another location (voter is at wrong location)	Ballot selection (Party based / issues only)	Spoil / Reissue ballot	Issue Provisional / Manual Provisional
Invalid Address (voter address change - but, voter's new address is not in the street index)						
Voter not found
